RE: MTC TIP Revision No. 2015-27 – Amendment

Dear Mr. Aljabiry:

Please be advised that MTC recently made several changes to the 2015 Federal Transportation Improvement Program (TIP). TIP Amendment 2015-27 revises 42 projects with a net increase in funding of approximately \$97 million. Among other changes, the revision:

- Amends nine new exempt and two new, non-exempt, not regionally significant projects into the TIP, and updates two existing projects to reflect the recent adoption of Cycle 2 of the Active Transportation Program;
- Amends one new exempt project into the TIP funded by Cycle 1 of the Active Transportation Program;
- Deletes one project and amends four new exempt and one new non-exempt, not regionally significant projects into the TIP to reflect the recent adoption of the Surface Transportation Program/Congestion Mitigation and Air Quality Improvement Program (STP/CMAQ) One Bay Area Grant Cycle 1 (OBAG1) Climate Initiatives Program – Parking Management and Transportation Demand Management Program;
- Amends one new exempt project into the TIP and updates the funding plans of two existing projects to reflect other changes in the STP/CMAQ OBAG1 program;
- Amends seven new exempt projects into the TIP and updates the funding plans of two existing projects to reflect the adoption of the fiscal year 2016 Transit Capital Priorities Program of Projects; and
- Archives four projects as they have been completed.

The modifications made pursuant to this revision do not require a new regional emissions analysis because the projects were found to conform as a part of a previous analysis, pursuant to the transportation conformity provisions found in 40 CFR Part 93 section 122(g). MTC's 2015 TIP, including Revision No. 2015-27,

Muhaned Aljabiry
TIP Revision 15-27
March 24, 2016
Page 2

was developed through a continuing, cooperative, comprehensive transportation planning process in accordance with 23 U.S.C. § 134 and 49 U.S.C. Chapter 53 and MTC's Public Participation Plan. TIP financial constraint documentation submitted with this revision shows that MTC's TIP is financially constrained as required by the federal surface transportation programs authorizing legislation and statewide and metropolitan planning and programming regulations. MTC's 2015 TIP, as revised with TIP Revision No. 2015-27, remains in conformity with the applicable State Implementation Plan (SIP) for air quality and the revision does not interfere with the timely implementation of the Transportation Control Measures contained in the SIP.

The revised TIP entries and the updated fiscal constraint documentation have been emailed to your staff and have been posted at MTC's TIP website at: <http://www.mtc.ca.gov/funding/tip/>. If you have any questions regarding this revision, please contact Adam Crenshaw of my staff at (510) 817-5794.

Sincerely,

Alix A. Bockelman
Deputy Executive Director, Policy
