

I-680 WALNUT CREEK TO SAN RAMON EXPRESS LANE

Construction Notice:

Work to begin on I-680 between Rudgear Rd. and Alcosta Blvd.

August 11, 2015

Summary

Intermittent nightly closures will occur on I-680 between Rudgear Road to Alcosta Blvd in the northbound and southbound #1 and #2 lanes (lanes closest to the median) beginning mid-August 2015 and continuing into September 2015. Construction crews are permitted to work on these lanes between the hours of 8 p.m. through 5 a.m., Monday through Friday.

Purpose

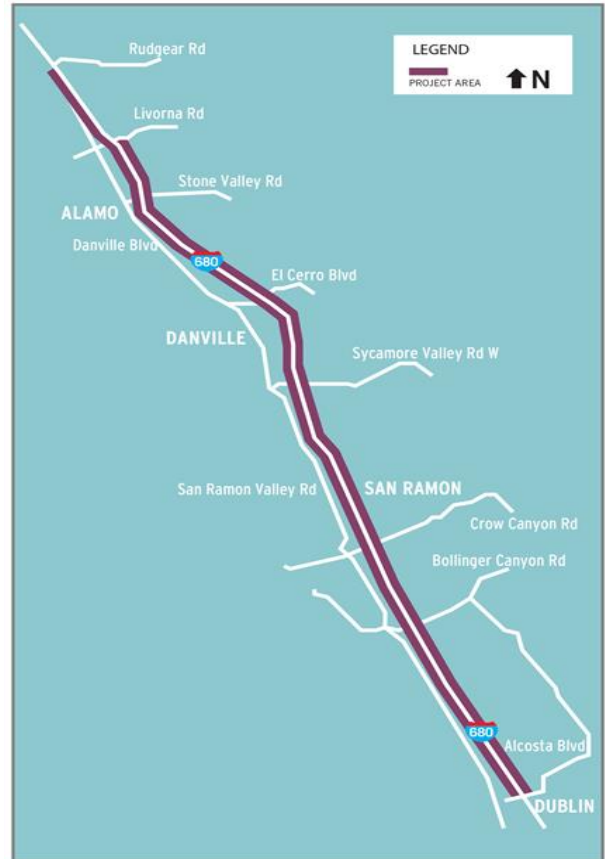

The I-680 lane closures are required for crews to install construction signage and safety barriers, begin surveying, and start roadway saw-cutting.

What to Expect

The work may cause some minor noise. Construction lighting will be present and directed away from residential areas. If you are experiencing any significant impacts or have any questions, please contact us. Additional lane closures are anticipated pending upcoming construction activities.

When traveling near the construction site please:

- Use caution,
- Be alert of on-site personnel, and
- Be prepared to reduce speeds.
