The event will feature:

-  Presentation of Preferred Design
-  Q + A Session
-  Interactive Workstations
-  Virtual Reality Experience
-  Light Refreshments

Event

West Span Bike and Ped Path
Public Meeting #2

Date + Time

Monday, November 19, 2018
6pm - 8pm
Presentation starts at 6:30pm

Location

Bay Area Metro Center
375 Beale Street, San Francisco

Event Description

The public is invited to attend the second open house for the proposed San Francisco-Oakland Bay Bridge (SFOBB) West Span Bicycle, Pedestrian, and Maintenance Path Project.

The project addresses the lack of bicycle and pedestrian access on the West Span of the Bay Bridge by proposing to construct a path from downtown San Francisco to Yerba Buena Island, closing a critical gap in the Transbay and Bay Trail corridors between San Francisco and Oakland.

Please join the Bay Area Toll Authority (BATA) representatives, Arup (the lead project consultant), and other project team members to learn about the project and offer feedback.
