General Notes:

North Bay grants were awarded and managed by North Bay CTAs.

Competitive Program was awarded and managed by MTC and State Coastal Conservancy. The Competitive Program supported the East Bay, South Bay, Peninsula and San Francisco.

Specific Notes:

<sup>A</sup> \$525,000 not reflected in this table, was added in September 2022. Of the \$525,00, \$380,000 was OBAG 2 funds, and \$145,000 in carryover OBAG 1 PCA project savings. OBAG 1 project savings were not deprogrammed, but they were deobligated and made available for reprogramming.

<sup>B</sup> This project was reprogrammed after City of Albany cancelled their Albany Hill Access project. The VTA project was part of a fund exchange agreement with MidPen. It is not part of the PCA Round 2 Call For Projects, but the funds are OBAG 2.

General Notes:

Linking specific PCAs to PCA grants is not a certain process. Because some PCAs overlap boundaries, certain grants have occurred within the boundary of multiple PCAs. Additionally, many PCA grants have supported the large regional Bay Trail & Ridge Trail PCA, however the funding has typically flowed to a local partner. The PCA Grant sheet has more detail on awards made to the Bay Trail and Ridge Trail PCA, with more detail on which section and which county received funding.

Specific Notes:

<sup>1</sup> Whether a PCA has been funded is not 100% certain because of overlapping PCAs. Each grant has only been linked to a single PCA.
