

Metropolitan Transportation Commission
Select Committee

June 20, 2024

Agenda Item 4a

Transit Fiscal Cliff

Review of the Bay Area Transit Operations Funding Landscape Post-Pandemic.

Background:

MTC staff will provide a brief overview for context setting of how the funding landscape has shifted since the onset of the COVID pandemic, and the significant shortfalls that are projected in the coming year(s). The information will also highlight important distinctions in the funding models of Bay Area transit operators.
